

castle rock estate

2019

Della Porongurup

This sparkling wine is made from 70% Chardonnay and 30% Pinot Noir. It was disgorged in January 2022, spending 28 months on lees.

ASSESSMENT

Mousse: The wine has a fine delicate bead which lasts well in the glass

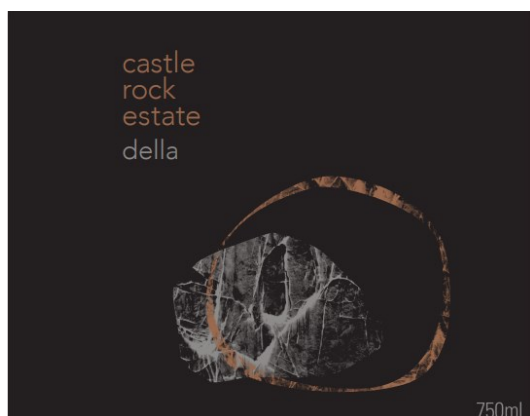

Colour: A light straw colour

Aromas: A complex and complete sparkling with lovely brioche and freshly baked bread aromas. There are hints of yeasty notes along with creamy and nutty characters. This is all held together by fresh strawberry notes.

Palate: A generous mouthfeel and creamy midpalate is lifted and freshened by the fine bead. The extended lees contact provides a rich complexity which runs the length of the palate. The tight structure and fine acidity give drive and freshness to the wine, providing that perfect balance between flavour, complexity and lingering freshness.

FOOD ACCOMPANIMENT

Enjoy now as the perfect sparkling for celebration or the start of a great meal.
