Porongurup RS21 Riesling

The RS21 Riesling is a medium dry Riesling which has wonderful balance between natural acidity and the residual sugar left in the wine.

ASSESSMENT

Colour: Pale straw with green hues.

Bouquet: An aromatic nose showing a blend of green tropical fruits such as feijoa and finger lime.

Palate: Feijoa and lime evident on the palate, backed by some floral notes. The sugar gives a lovely richness to the mid palate. The Riesling acid structure is in excellent balance with the sugar and provides a clean and refreshing finish.

FOOD ACCOMPANIMENT

This wine can be matched with a wide range of light dishes due to its great balance. Great on a hot summer's day, used as an aperitif or to complement spicy Asian cuisine

CELLARING POTENTIAL

Designed to be enjoyed now, though will gain toasty aged Riesling characters with careful cellaring for up to 20 years.
