

castle rock estate

2021

Shiraz
Porongurup

ASSESSMENT

Colour: Deep ruby.

Bouquet: A classic cool-climate Shiraz nose which shows liquorice, plum fruit, spice and black pepper characters. There is some subtle complexity and quality French oak characters of char and cedar.

Palate: A savoury and balanced palate, filled with plum fruit, black olive and a thread of black pepper spice woven through. This wine provides power and drive yet, wonderful restraint thanks to a bright acid backbone balanced by firm structural tannins reminding us of its cool climate origins. High-quality French oak adds a lick of char to the palate and blends well with the depth of the fruit flavour. The wine is youthful and poised with great length.

FOOD ACCOMPANIMENT

An ideal complement to red meats and hearty dishes.

CELLARING POTENTIAL

Will continue to improve and develop complexity with age; cellar for 10 years+.

TECHNICAL

Harvest Date: 1 April 2021

Bottling Date: 14 June 2022

Alc: 14.0%

pH: 3.44

T.A.: 6.3 g/L

Residual sugar: 0.0 g/L
