Riesling Porongurup

ASSESSMENT

Colour: A light and pale lemon.

Bouquet: Crushed lime leaf backed by a delicate fragrance of orange blossom and subtle oyster shell giving a bouquet that is zesty and fresh, yet also of great depth.

Palate: The palate is the tight and driven; with great balance, length and poise, true to the Castle Rock Estate style. There is a beautiful complexity and depth to the palate, created by the layering of acids: Lime juice, Granny Smith Apple, Soda Water. This core of natural acidity creates that great structure, finesse and length for the wine. There is a soft citrus pithy edge helping frame the back palate, accentuating a salty oyster shell finish. Lively, crisp and with an attractive delicacy now, this wine will blossom with age for at least twenty years.

FOOD ACCOMPANIMENT

Ideal aperitif wine, will also accompany fish, delicate crustacean and mild Asian dishes.

CELLARING POTENTIAL

Excellent ageing potential. It will continue to improve through its first year and then plateau, should drink well for at least 20 years.
