Skywalk Riesling
Porongurup

Skywalk Riesling is named after the lookout which is affixed to the side of Castle Rock itself, providing great views of the surrounding area. A full and flavoursome style Riesling with a rich and balanced palate.

A blend of all our Riesling blocks. Fruit was machine harvested, with only the medium pressings juice being used in the wine. Juice underwent a cool ferment in stainless steel tank with inoculated yeast. Short maturation before bottling to retain freshness.

Pale lemon colour. Perfumed jasmine and talc immediately leap from the glass, making way for lemon zest and sherbert as the wine breathes. Flavours of nashi pear, melon and talc are abundant on the palate. There's power in the flavour, carrying all the way through the palate and into the long finish. The acid structure is delicate but persistent, perfectly balancing the richness and power of the fruit. A soft citrus pith edge is providing texture.
A wine providing immediate enjoyment, finishing fresh and lively.
