2018 A&W Reserve Riesling

This wine is named in honour of the founders of Castle Rock Estate and is made to highlight the greatness of Riesling from the vineyard. Hand-harvested and whole bunch pressed, then fermented with some solids and left on lees for 2 months. The result is a wine with some savouriness which complements the pure Riesling character.

ASSESSMENT

Colour: Very pale straw coloured.

Bouquet: A delicate yet fragrant nose, showing pink grapefruit characters, backed by some delicate passionfruit and floral notes. There is a slaty, minerality that adds complexity and interest.

Palate: The palate shows the wonderful delicacy of the variety, with low phenolics and a pure and long, focused structure. The pink grape fruit characters flow through the length of the palate, while the natural acidity is powerful and feature of this wine. It is however, perfectly balanced by some creamy texture and silky characters and exhibits a finish that is fine and incredibly long.

FOOD ACCOMPANIMENT

Ideal aperitif wine, will also accompany fish, delicate crustacean and mild Asian dishes.

CELLARING POTENTIAL

Excellent ageing potential. It will continue to improve through its first year and then plateau, with careful cellaring it will drink well for at least 20 years.
